

St Bees Parish Council

Coronavirus local support network – 2020

*Description, organisation and guidance
- briefing for public*

St Bees coronavirus volunteer support network

Network purpose

To help people in the community during the coronavirus emergency by co-ordinating volunteer groups, which would help those who are isolated, housebound or in need of any form of practical support.

Volunteer Objectives

To provide help;

- Practically, with small tasks or errands
- Giving advice, or helping people find it
- Alerting the network to evolving problems and needs
- Referring difficult problems to the volunteer coordinator
- Monitoring, where possible, vulnerable people

Volunteer groups arranged by geographical area
